

Grand View's Science Expo

Wednesday, March 17, 2010

3:00-7:00pm

This event is not to be missed. Make plans to attend today!

“Hands-on” Experiments: forensics, static electricity and chemical reactions

Presentations: Sky Dome, Mad Science Up, Up & Away and Magic of Science

Cathy’s Animals and so much more fun for the whole family!

Tickets are \$15.00 per family and may be purchased preferably on The Groupery (www.thegroupery.com) or by printing and sending this form to the front office with payment.

Adventure Passports = Homework Pass*

Fill your Adventure Passport with stamps as you complete experiments or attend presentations. Passport pick up begins at 2:45 on March 17th.

*4th Gr students must still complete the Math homework for the night.

5th Gr students are required to attend. Extra Science Credit will be awarded for volunteering to be a Science Docent, supervising and guiding fellow students.

5th Gr. Student Docents: [Click here for Volunteer and Permission Form](#)

Leprechaun Trap “Trash to Treasures” Gallery

Create an imaginary Leprechaun trap out of old and unused items from the home. Deliver the trap, for everyone to enjoy, Monday, March 15th. Tables will be set up in the hallway.

[Click here for some ideas to get you started.](#)

Stay for an hour, or stay for four. Don't miss this fabulous PTA event.

Science EXPO Reservation Form

Make your reservations via The Groupery (www.thegroupery.com) or print and send in \$15.00 payment with this flyer.

Checks must be payable to GV PTA and **received by 3/12/10.**
