

Pigs Make Me Sneeze!

by Mo Willems

How to make a sneezing pig face:

Materials:

Pink construction paper

White paper

Scissors, markers, tape, glue, one piece of tissue

Box of tissues (optional)

1. Draw a large circle on pink construction paper for the pig's face.
2. Add two triangles on top for the pig's ears. Darken in the ears with markers.
3. Draw two circles on the white paper and color in eyes.
4. Cut out the two white circles and glue them onto the face.
5. Cut out the face shape.
6. Draw a separate oval on the pink paper for the snout.
7. Color two circles for the nostrils.
8. Cut out the snout and set aside.
9. Cut a strip of pink construction paper about 2 inches by 4 inches.
10. Fold it like an accordion.
11. Tape or glue one end of the folded strip to the back of the snout.
12. Tape or glue the other end of the folded strip to the pig's face.
13. Draw in the mouth with a marker.
14. Tape or glue a tissue on the end of the snout.
15. Optional: Tape the sneezing pig face to the end of a box of tissues.

Stretch the snout and say, "Achoo!"

Cover the sneeze with the tissue so germs will not pass to a friend!
