

ACCESS THE WRITER IN YOU!

Each of us has a story in our head, an inspirational poem in our heart, or a thrilling screenplay at our fingertips! Every story has a picture.

Do you ever wonder how a writer becomes a writer or how an illustrator becomes an illustrator?

Do you want to meet and learn from some of the best children's book writers?

Do you want to learn how to match pictures with stories?

Then join us at the Access Books Writing Conference for Young Authors and Illustrators!
