

## Book Spine Poems

It's fun! It's easy! It makes a bit of a library mess! Oh, well!

Select three to six books with titles that inspire your poetic fire.

Stack the books flat, one on top of the other, so the spines are visible.

Move the books around until you like the way it reads, top to bottom.

Write the titles in the diagram the way you want the poem to read, top to bottom.

Go over the titles with marker. Shade in each rectangle lightly with a different color crayon to create book spines.
