

This year, our school district is using Clever as an easy way for your child to access all the learning applications they use at school. They can access the resources they use at school in one location, using a single username and password.

I'd love for you to help us increase education engagement at home by helping your child access their online learning applications.

STEP 1

Go to your portal: <https://clever.com/in/mbusd>

STEP 2

Log in with your child's Google username and password.
