

E-Waste Drive!!

Bring your e-waste to Grand View on
Wednesday, March 7th!

Not only is this a chance for you to get rid of those old laptops and phones collecting dust, you will be helping the environment AND raising money for Grand View!

- When:** Drop off larger items at our “**drive and drop window**” from **11-1**
OR bring smaller items with you to the **STEAM Expo from 3-6 PM.**
- What:** All Green Recycling accepts anything that plugs into a wall or takes a battery, including: **TVs (CRT & flat screen); monitors, computers, laptops, tablets, printers, cell phones, DVD/VCR players, speakers, keyboards, mouses, microwaves, vacuums, cables & wires.** *(Sorry, no batteries, light bulbs, large appliances or exercise equipment.)*
- Why:** Help raise money for Grand View and gain peace of mind knowing that anything with a hard drive will go through All Green’s proprietary **data cleansing “Triple Wipe”** service. All Green also has a “No Landfill” policy and does not send any material overseas.
