

THE GRAND VIEW GATOR PLEDGE

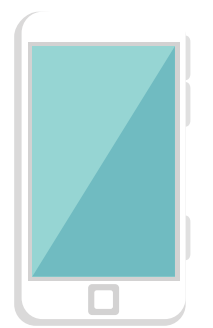

We are excited that we are open to return to campus! In order for that to happen safely, we need to acknowledge the responsibility we have to one another and to our community. We are asking that all parents, students and staff make a commitment to keep our community healthy and safe so we can ALL get back and remain on campus. Please take a moment to read and sign the Gator Pledge:

My family and I will consider reducing travel and large group activities in the next few weeks before returning to school and over vacations during the school year.

My family and I will complete self-screening and symptoms check using the school app (Ruvna) every morning prior to school. We will show our approved status prior to entering school.

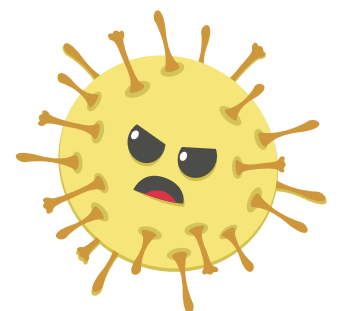

My family and I will err on the side of caution and will stay home when experiencing any signs of illness including: fever, coughing, new loss of taste or smell, and/or shortness of breath.

My family and I will wear masks on school campus at all times as directed. I will follow my school's rules about taking breaks from my face covering during the day.

My family and I will inform the school if someone in our household is symptomatic or had exposure to someone who has tested positive for COVID-19.

My family and I will practice social distancing when on campus, including following directional signage about where to walk, stand or sit.

My family and I will practice healthy habits, including frequent handwashing, covering coughs and sneezes, and keeping my materials clean.

I will keep my belongings separate from others' belongings when at school and in the classroom.
