## GROWINGGREAT School Garden Mural @ MANHATTAN HOUSE RESTAURANT

### **ALL MANHATTAN BEACH ELEMENTARY STUDENTS WELCOME!**

Submit a colorful picture of a favorite fruit and/or vegetable that you would like to see growing in your school garden (ex: lettuce, apple tree, broccoli, carrot, lemon tree). Please use the attached flyer.

**DEADLINE: October 20th.** Please turn in your artwork to your teacher. Your school lead GrowingGreat nutrition parent volunteer (docent) will collect and submit your pictures to Jill Coons, GG Director of Education. Chef Diana and her team will select one work of art from each elementary school to be painted on the west wall of the restaurant above the restaurant garden plot. All five Manhattan Beach elementary schools will be featured.

(Chef D and GrowingGreat Jr. Chefs)

*In 2015, Chef Diana Stavaridis called the office of GrowingGreat inquiring about the wonderful garden and nutrition education MB elementary students were receiving. Chef Diana wanted to get involved and she has! GrowingGreat and Manhattan House have partnered in creating a 5<sup>th</sup>-Grade GrowingGreat Jr. Chefs program where 5th graders meet Chef D and her team to discuss foods that are growing in the school gardens and how to make healthy choices. The GrowingGreat Jr. Chefs create a garden-inspired dish that is featured on the Manhattan House menu for one month out of the school year. For more information, contact your lead nutrition/garden parent volunteer (docent) or [info@growinggreat.org](mailto:info@growinggreat.org).*
