GrowingGreat, Chef Diana Stavaridis and Manhattan Beach Farmers Market (MBFM) are partnering! This year, GrowingGreat Jr. Chefs will join "Chef D" in a Farmers Market tour and participate in a cooking demo at the Chef's Tent on the Metlox patio.

Thank you to MBFM and Chef Diana for your support of GrowingGreat students!

GrowingGreat's mission is to build nourishing communities that empower children to make healthy food choices. (growinggreat.org)
