

Makerspace Classroom Rules

Be kind to everyone

Listen well to everyone

Be courteous to your classmates and adults

- Wait your turn to speak, do not interrupt
- Be observant and aware of your surroundings
- Never take anything from a friend's hand

Listen to directions with full body listening

- Follow directions closely
- Ask a friend for help if needed

Clean your station at your table

- Put tools away in the caddies
- Put re-usable supplies on the cart
- Put recyclable items in the recycle bin
- Put anything with tape in the landfill bin

Learn

- from sharing ideas with one another
- from making mistakes & trying another idea
- from experimenting, taking a risk
- from discovering new things
