Joslyn Center
1600 Valley Drive
Manhattan Beach

Lock it or Lose it!

Community Crime Update

Please join Manhattan Beach Police Department Chief of Police, Eve R. Irvine and department staff for a Town Hall-style meeting on the topic of residential crime, crime prevention, and investigative updates. This meeting will also reveal how your Police Department responds to crime and how residents can help deter theft and burglary. Community-based policing is a partnership and we rely on each other to keep Manhattan Beach a safe place to live, play and work.
