

# Kindergarten Art & Seek Story

Manhattan Beach  
Express Library

Every Second Wednesday  
3 PM – 4 PM

Civic Center

Nurture your kindergartener’s or pre-kindergartener’s love of reading and art. We will provide copies of the same picture books and read them together through the art and the words, as we celebrate favorite author/artists. We will then have a simple art activity celebrating their art. Please contact Children’s Librarian, Melissa Messner, if you are interested in this special program.
