

Thinking of starting an Odyssey of the Mind team for your school? Come join Bob Anderson, Regional Director for the L.A. Basin on Wednesday, October 7 at Pacific School Art Room at 6:30PM to hear all about what it takes to be a coach and get your team started in this international educational program that provides creative problem-solving opportunities for students. Team members apply their creativity to solve problems that range from building mechanical devices to presenting their own interpretation of literary classics. They then bring their solutions to competition on the local, state, and World level. Thousands of teams from throughout the U.S. and from about 25 other countries participate in the program.
