

## Grand View's Penny Wars! September 24th-29th, 2018

Compassion means **ACTION**.. Put your spare change toward a great cause!  
\*\*All proceeds from our penny war fundraiser will go to support  
**The Waterbearers** – *bringing access to clean water around the world.*  
<https://thewaterbearers.org>

Your donations will provide funding for sustainable clean water filters for villagers in Nepal, devastated by monsoon rains.

**Pennies are "positive." Silver coins and dollars are "negative" Mathematicians.. it's a challenge!! What is your strategy?  
Here's how it works:**

- Containers will be located at the cafeteria during lunch
- Each penny counts as one positive point for YOUR grade level.
- Each silver coin counts as negative points for OTHER grade levels. In other words, dropping a quarter in another grade's bucket takes 25 points from their total. (\$1.00 subtracts 100 and \$10 subtracts 1000!)
- Points will be tallied each day. On September 29th, winner announced!

*Start saving your change—we can make a big difference working together! for a child!*

## Penny War Rules

Points:

**Adding (+)**

1 penny = 1 point

**Subtracting (-)**

1 nickel = 5 points

1 dime = 10 points

1 quarter = 25 points
