

Grand View's Penny War!

June 5th-9th, 2017

Courage means **ACTION**. Put your spare change toward a great cause! All proceeds from our Penny War fundraiser will go to support **Matanya's Hope**. Your donations will provide daily porridge for children seeking an education in the slums of Kenya.

**Pennies are "positive." Silver coins and dollars are "negative."
Mathematicians! It's a challenge! What is your strategy?**

Here's how it works:

- Containers will be located at the cafeteria during lunch.
- Each penny counts as one positive point for YOUR grade level.
- Each silver coin counts as negative points for OTHER grade levels. In other words, dropping a quarter in another grade's bucket takes 25 points from their total (\$1.00 subtracts 100 points and \$10 subtracts 1,000 points).
- Points will be tallied at the end of each day. On June 9th, the grade level with the most points will be the winner!

Start saving your change—we can make a big difference working together!

Penny War Rules

Points:

Adding (+)

1 penny = 1 point

Subtracting (-)

1 nickel = 5 points

1 dime = 10 points

1 quarter = 25 points
