

Dear Friends,

We want to thank you for your kindness, generosity, and concern for our family. Your tireless efforts, donations, and support have been unbelievable. We did not know we had so many friends and are sorry to say we still have not met many of you. Our friends have done more than anyone could imagine and those that we do not know have opened their hearts and homes to us as well. We are so happy to be alive and safe. You are the ones who have awakened a stronger awareness of how good people are. This has been the biggest lesson we have learned from the fire. We hope we can meet all of you with a hug and let you know personally how much you mean to us. You have made this so much easier for us and we appreciate everything you have done. Thanks to all of you, we have a very positive attitude about the fire and it is easy to realize that we have gained much more through the love, hugs, and support, than anything we lost. The only tears we have cried were from the kindness and love you have shared with us. We will try to do anything we can for all of you. We are forever grateful and we pray the love you have shared with us will return to you tenfold.

God bless you all,

Jeffrey, Valerie, Kirra, and Crow Petty
