

GRAND VIEW READATHON

RAISING FUNDS FOR OUR SCHOOL LIBRARY | MARCH 22 - APRIL 1

Join your classmates for the all-school Grand View Readathon!

Starting March 22, we are putting our reading skills to work to raise money for the school library. Compete for special prizes as you read & raise alongside your friends. Every student can participate and help make a difference for our school! Here's how:

1. Sign up: <https://www.read-a-thon.com/readers/r/ghkKbK>

2. Set your personal reading and fundraising goal.

Example: I will read 500 minutes during the Readathon. My fundraising goal is to raise \$500 in donations family and friends who want to support my reading challenge and our school library.

3. Ask family members and friends to support your efforts and your reading challenge by making a donation on your Reader Page.

Please note: This Readathon is different from a traditional "thon" where friends and family would pledge a small amount "per minute" or "per page". Instead, students should set a personal goal for themselves (i.e. 5 books, or 500 minutes, or 1 hr a day - however they choose to mark progress) and then ask family & friends to support their overall goal with a set donation.

Read to Win Prizes

Students can track their reading sessions online and be eligible to win prizes including a Kindle Fire, \$50 gift cards for Simms Restaurants (Tin Roof Bistro, FWD, Arthur J, MB Post), Book Prizes from Pages and the highest raising class will win a Donut Delivery Party. The Top Reader in the School will get her/his name up on the GV marquee!
