

# Let's Keep Our Streets and School Environment Safe for Gators!

## LET'S WALK TO SCHOOL!

National Walk to School Day was a success last week! Of course walking helps the **environment**, and provides a bit of **exercise**, but did you know walking can...

...**eliminate traffic stress** for you and your child?

...**create time to talk & bond** with our children?

...help **students begin their day more alert?**

...be a great chance to **catch up with friends and neighbors** as we stroll to school?

## If You Do Drive, Slow Down...

\*Please **drive slowly** throughout all neighborhood streets, **especially before and after school** and especially **if you see children walking/wheeling**.

\***No dogs on campus**. Not all people – especially children - are comfortable with dogs.

## ENTER AND EXIT THRU THE FRONT OFFICE ONLY- \*LADERA GATE will be locked during school hours!!

This is crucial. During school hours parents and visitors must enter and exit through the front office.

This is the BEST way to track and manage students/adults on our open campus.

**IF you see an adult on campus without a name badge, ASK the adult's name his/her business on campus.**

## Be a Traffic Teammate!

Please meet us from 7:50am-8:10am 1x/month to kindly smile, wave, and encourage drivers to move through the line safely and efficiently.

Contact: [switzansky@MBUSD.org](mailto:switzansky@MBUSD.org)

## Please Follow Parking Lot Rules

\* **PLEASE refrain from stopping at the corner of the lower playground** when dropping off your child in the upper parking lot. This "quick stop" holds up the line of traffic.

\* To increase morning and afternoon traffic flow, **abide by RIGHT TURN ONLY sign for 24<sup>th</sup> Street during posted time-frames.**

**LADERA GATE.. We will begin this Monday to lock the lower Ladera gate at 8:30am- 2:10 MTTTF. Wed. 8:30-1:25. THANK YOU!**
