

Announcing...

SCHOOL SITE COUNCIL (SSC) ELECTIONS!!

Grand View Elementary School has SSC Parent Representatives seat openings for 2015/2016.

WHAT IS THE SCHOOL SITE COUNCIL?

The SSC is a group of 5 parents and 5 staff members elected to represent parents, teachers and other staff. Representatives are elected for **two-year terms**. The California Department of Education states, "The primary task of the SSC is to ensure that the school is continually engaged in identifying and implementing curriculum and instructional practices that result in both strengthening the core academic curriculum and ensuring that students have access to and succeed in that program." A SSC is required because our district receives special funds to help students meet District Standards.

WHAT DOES THE SSC DO?

The SSC is responsible for approving the Single Plan for Student Achievement budget and providing input on development and effectiveness of the Single Plan. The SSC is also responsible for reviewing and updating the Plan each year. The SSC meets three times during the school year.

WHO CAN BE A PARENT ON THE SSC?

Anyone who:

- Is a parent of a student at Grand View Elementary and is **not** an employee at this school.
- Can commit to attending the three meetings. (10/19/2015, 2/8/2016 and 5/9/2016 from 3:00-4:00) in the library
- Is interested in learning about school programs.
- Is willing to work cooperatively with the school principal, staff and other parent reps.

WHAT DO I DO IF I WANT TO RUN FOR PARENT REP?

Fill in and detach the section below. Return to the office by Friday, September 18th. Please contact Rhonda Steinberg, principal at rsteinberg@mbusd.org if you have any questions.

-----**DETACH**-----

YES! I am interested in running for Grand View Elementary School Site Council Parent Representative.

I am a parent of a child at Grand View for years 2015-2016 and am willing to commit to attending the three SSC meetings.
