

Hi Gators,

On April 1st, we will have a “Beach Towel Book Break.” Bring a towel and a good book to recess and lunch to kick off our school’s book drive that will benefit the library at Compton Avenue School. The drive ends the 17th.

From the 13th to the 17th Student Council will hold an Earth Day theme poster contest. Come up with a clever slogan and create a colorful poster. We will announce the winners by grade on the 20th and the winners will win a ticket for free ice cream.

On April 17th we will host the Farmer’s Market and the Annual Hula Hoop Contest on the upper playground after school. Join the fun and challenge Mrs. Steinberg!

April 22nd is Earth Day! We will celebrate by wearing blue or green. Student Council will give out hand stamps to kids who dress in blue or green, bring a trash-free lunch, walk to school, etc.

Last but not least, the Spirit Squad came up with the cool idea we should wear crazy hair on April 24th.
