

Hi Gators,

Hope you had a Happy Halloween and got lots of candy. Some of my favorite costumes were the Ivivva girls/boys, Stanley Cup trophy, and all the Bananas. But now it's time for turkey month and giving thanks to everyone.

Student council has another terrific month planned for you! On November 12th don't forget to buy delicious cookies and all of your money will go to Cookies for Courage which is a fountain in honor of Veteran's Day. The next day is world kindness day and Grand View celebrates this by wearing the colors of the rainbow Kindergarten will wear red, 1st orange, 2nd yellow, 3rd green, 4th blue, 5th purple.

On November 14th gather your grandparents and have a picnic with them at school and have a great time with them. This is our first time doing this and thank Andrew Salzman our community Service chairperson for coming up with such a great idea in the theme of Thanksgiving.

Then we have Thanksgiving Break and make sure to spend lots of time with your friends and family and have a great time! Until next time Happy Thanksgiving!

Jordan Koo
