Book Club (continued)

Spring Fair

As you all know, the annual Grand View Spring Fair is coming up on Saturday, May 3rd, from 10:00 a.m. to 5:00 p.m., and this year there will be “hydration stations” where, if you remember to bring a reusable water bottle, you can fill it up for free. Conserving water is a big help to the environment especially because California is in a huge drought right now. Also, don’t forget to purchase tickets or bring money to buy cotton candy, popcorn, snow cones, candy, and other delicious snacks at the fair. Also, you must have tickets or money to go in the bouncy houses or play any of the fun games that we offer at the fair. We hope you come to the fair and have a blast!

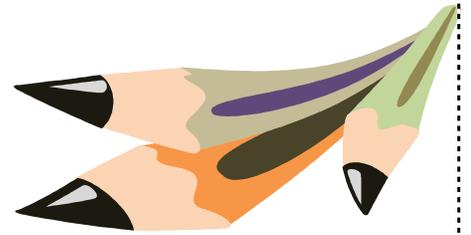

Book Club

Going once, going twice, going **Three Times Lucky** is the name of the selected book for book club this time and if you’ve read this book and you’re interested in winning awesome prizes, playing cool games, eating cookies,

entering raffles, hanging out with your friends, or all of the above, then room A-1 is the place to be at lunch recess on Tuesday, May 13th if you’re a fourth grader, or Thursday, May 15th if you’re a fifth grader. Keep in mind that this the last book club for this year, so all of the tickets that have ever been entered in the raffle and haven’t been pulled out yet are still in there, and this time the raffle prizes will be **EXTRA AMAZING** since it’s the last book club meeting. Also (a message for all you fifth graders), this is the last book club at Grand View ever for you, so make the most of it, whether that means actually finishing the book, attending one of the meetings, etc. Also, if you’re thinking, “I don’t want to waste my recess by going to a meeting,” then you’re wrong because first of all, it’s only one recess that you’ll be missing, second of all, book club is more fun than regular recesses, and third of all, you can play kickball, soccer, handball, and any other games any day, but you can’t go to book club everyday, so keep that in mind the next time you can’t decide whether to go to recess or go to book club.

Mother's Day

What does your mom do for you on a daily basis? Try going through your typical, everyday routine in your mind and try to pick out all of the things that are done for you by your mother, whether it's being made breakfast, lunch, and dinner or getting help on hard questions that have been assigned as homework. Now, picture all the things your mom does for you on special occasions. When you think about it, your mom does a lot for you whether you always realize it or not, so this month, take time to thank your mom whether you just simply thank her, make her a card, give her a present, or whatever you think that she may like, and make sure your mom knows that she and her work are both appreciated. Also, wish her a happy Mothers' Day and give her a big hug.
